  HSC State Board; Percentage: 57.85   2018-2020
- ❖ **Sharada Vidyalaya Ekambe**   Maharashtra, India
  SSC State Board; Percentage: 85.00   2017-2018

EXPERIENCE

- ❖ **Sanyu Infotech Private Limited with Training Partner Skills IT Academy – Pune**
  Java Developer Intern | December 2024 – Present
  Gained valuable experience in Core Java and MySQL by assisting the development team on various projects.
  Acquired foundational knowledge of the Spring Boot framework, contributing to efficient and scalable application development.

ACADEMIC PROJECTS

- ❖ **Hospital Management System:**
  Java | | JSP Servlets | Bootstrap | MySQL
  Developed a web-based application using Java**,** JSP Servlets**,** and MySQL to streamline hospital operations. Key features include patient management, appointment scheduling, staff management, billing, and medical records. Designed a secure, user-friendly system with role-based access control and automated workflows to enhance efficiency and accuracy.
- ❖ **E-Commerce Website :**
  Java | Spring Boot | Hibernate | Angular | JavaScript | Bootstrap | MySQL
  Developed a full-stack e-commerce platform with a dynamic and responsive Angular frontend. Implemented a RESTful API using Spring Boot for seamless client-server communication. Integrated key features such as user authentication, product management, shopping cart. Used Hibernate for database management, optimizing performance.

Future Aspiration

- ❖ As a passionate and dedicated individual, my aspiration is to advance my career in the technology industry. I aim to leverage my experiences and knowledge to contribute to innovative projects and solutions that have a significant impact.
